SPECIAL NOTICE TO CONTRACTORS

Effective with the implementation of the new Standard Specifications for Highway Construction, a new boilerplate will be used in the bidding documents. (The existing boilerplate is the first 11 pages for State Projects or the first 17 pages for Federal Projects). The new boilerplates are available for comments online on MoDOT's web page www.modot.org under "Business with MoDOT" – "Bid Opening information" – "General Information". Please send any comments by email to troy.hughes@modot.mo.gov or mail them to the above address, ATTN: Troy Hughes, Design.

Please have all comments sent by April 1st, 2004.

The Bid Document Quality Circle has reviewed these documents. Team members include:
MoDOT - Machelles Watkins, Troy Hughes, Ken Warbritton
Industry - Joe Ritz, Ron Tavernaro, Phil Hoher,
